## THE COMMISSIONER OF CUSTOMS

JUN 3 0 1982

WASHINGTON, D.C.

Executive Registry

Dear Mr. Casey:

In our continuing effort to halt the flow of critical technology to the Soviet bloc and other hostile countries, I have sent the attached letter to over 1,600 chief executive officers of the nation's largest high technology firms.

Briefly, the letter describes the problem of illegal exportation of high technology, outlines what we at Customs are doing through Operation Exodus and solicits their support.

I enclose a copy for your convenience.

Yours faithfully,

The Honorable
William J. Casey
Director, Central Intelligence
Agency
